50,000 dependants, who are for the most part the material of the future growth of the immigrant-descended population. It is like watching a nation busily engaged in heaping up its own funeral pyre. So insane are we that we actually permit unmarried persons to immigrate for the purpose of founding a family with spouses and fiancés whom they have never seen."

"I turn to re-emigration. If all immigration ended tomorrow, the rate of growth of the immigrant and immigrant-descended population would be substantially reduced, but the prospective size of this element in the population would still leave the basic character of the national danger unaffected. This can only be tackled while a considerable proportion of the total still comprises persons who entered this country during the last ten years or so. Hence the urgency of implementing now the second element of the Conservative Party's policy: the encouragement of re-emigration."

"The other dangerous delusion from which those who are wilfully or otherwise blind to realities suffer, is summed up in the word "integration." To be integrated into a population means to become for all practical purposes indistinguishable from its other members."

"Now we are seeing the growth of positive forces acting against integration, of vested interests in the preservation and sharpening of racial and religious differences, with a view to the exercise of actual domination, first over fellow-immigrants and then over the rest of the population."

"For these dangerous and divisive elements the legislation proposed in the Race Relations Bill is the very pabulum they need to flourish. Here is the means of showing that the immigrant communities can organise to consolidate their members, to agitate and campaign against their fellow citizens, and to overawe and dominate the rest with the legal weapons which the ignorant and the ill-informed have provided. As I look ahead, I am filled with foreboding; like the Roman, I seem to see "the River Tiber foaming with much blood."

"Only resolute and urgent action will avert it even now. Whether there will be the public will to demand and obtain that action, I do not know. All I know is that to see, and not to speak, would be the great betrayal."

12: "Rivers of Blood" Extracts From Speech

Given by Enoch Powell to a Conservative Association meeting in Birmingham on April 20 1968.

"The supreme function of statesmanship is to provide against preventable evils. In seeking to do so, it encounters obstacles which are deeply rooted in human nature. One is that by the very order of things such evils are not demonstrable until they have occurred: at each stage in their onset there is room for doubt and for dispute whether they be real or imaginary. By the same token, they attract little attention in comparison with current troubles, which are both indisputable and pressing: whence the besetting temptation of all politics to concern itself with the immediate present at the expense of the future.

Above all, people are disposed to mistake predicting troubles for causing troubles and even for desiring troubles: "If only," they love to think, "if only people wouldn't talk about it, it probably wouldn't happen." Perhaps this habit goes back to the primitive belief that the word and the thing, the name and the object, are identical. At all events, the discussion of future grave but, with effort now, avoidable evils is the most unpopular and at the same time the most necessary occupation for the politician. Those who knowingly shirk it deserve, and not infrequently receive, the curses of those who come after."

"I simply do not have the right to shrug my shoulders and think about something else. What he is saying, thousands and hundreds of thousands are saying and thinking - not throughout Great Britain, perhaps, but in the areas that are already undergoing the total transformation to which there is no parallel in a thousand years of English history."

"As time goes on, the proportion of this total who are immigrant descendants, those born in England, who arrived here by exactly the same route as the rest of us, will rapidly increase. Already by 1985 the native-born would constitute the majority. It is this fact which creates the extreme urgency of action now, of just that kind of action which is hardest for politicians to take, action where the difficulties lie in the present but the evils to be prevented or minimised lie several parliaments ahead."

"It almost passes belief that at this moment 20 or 30 additional immigrant children are arriving from overseas in Wolverhampton alone every week - and that means 15 or 20 additional families a decade or two hence. Those whom the gods wish to destroy, they first make mad. We must be mad, literally mad, as a nation to be permitting the annual inflow of some..."
11: Do Unto Others

By denying Christ as saviour, the synagogue of satan has been able to continue with what Jesus intended his message to stop. The problem of course with the blasphemy laws that come with Judaism and Christianity is that they make it very dangerous to point out the cause of the evil and actually help perpetuate the problem, making criticism of the Bible very difficult, at least at a level where the criticism is seen as something of great importance and not just another form of entertainment or subversion.

Ecclesiastes 10:1-7 New International Version (NIV)

1 As dead flies give perfume a bad smell,
so a little folly outweighs wisdom and honor.
2 The heart of the wise inclines to the right,
but the heart of the fool to the left.
3 Even as fools walk along the road,
they lack sense and show everyone how stupid they are.
4 If a ruler's anger rises against you,
do not leave your post;
calmness can lay great offenses to rest.
5 There is an evil I have seen under the sun,
the sort of error that arises from a ruler:
6 Fools are put in many high positions, 
while the rich occupy the low ones.
7 I have seen slaves on horseback,
while princes go on foot like slaves.

Jesus wasn't trying to start a new religion but to reform Judaism. The problem with Judaism still exists, Christians can't explain the cause of the evil without blaspheming and undermining their own religion based on a good and loving God. Meaning Christianity provides a woefully inadequate defence. The problem is the same for those Jews and Muslims who want to stop this madness. The Deuteronomy strategy is actually helped by denying God exists. While the Muslim counter strategy is actually helped by reinning in the “extremists” many of whom are just getting over excited and are having problems exercising some self control.

Defending Christianity or any religion by burning or stoning subversives (and innocents) as heretics, blasphemers and witches, is inadequate compared to a proper explanation of what is in Deuteronomy and how this strategy gives both evil and stupidity the upper hand in this world.

Introduction

“The supreme function of statesmanship is to provide against preventable evils. In seeking to do so, it encounters obstacles which are deeply rooted in human nature.” From the first line of Enoch Powell’s “Rivers of Blood” speech.

The Hindus, Sikhs, Jains and Buddhists have in their religions the concepts of Dharma (Natural law/Balance), Adharma (Disharmony/Imbalance) and Karma (Reap what you sow). As well as a focus on self control. The emotional response likely being the incorrect one creating more imbalance (Lust/greed/anger/hatred).

Just as it is everywhere else in the world the big mystery is cause and effect.

How actions that appear neutral or even good can end badly. As well as why those who can foresee those bad consequences are ignored or vilified (The prophets and Cassandras). . . . .

Rivers of Blood: Why Enoch Powell Was Right!

1: Radicalisation - Let's Start With Islam:

Why is this happening again?

Why does this strategy even exist?

& who are the infamous “They” of "They plot and scheme, but so do I"?

Qur'an 86:13-16 "This is a truly decisive statement, it is not something to be taken lightly. They plot and scheme, but so do I: Prophet, let the disbelievers be, let them be for a while."

Qur'an 2:218 "But those who have believed, migrated and striven for God's cause, it is they who can look forward to God's mercy..."

Qur'an 9:20 "Those who believe, who migrated and strove hard in God's way with their possessions and persons, are in God's eyes much higher in rank; it is they who will triumph;"

Qur'an 22:58 "He will give a generous provision to those who migrated in God's way and were killed or died: He is the best provider."
Qur’an 13:41-42 “Do they not see how We come to their land and shrink it’s borders? God decides - no one can reverse His decision - and He is swift in reckoning. Those before them also schemed, but the overall scheme belongs to God: He knows what each soul does. In the end, the disbelievers will find out who will have the excellent home.”

Qur’an 47:18-19 “What are the disbelievers waiting for, other than the Hour which will come upon them unawares? Its signs are already here, but once the Hour has actually arrived, what use will it be to take heed?”

Qur’an 6:25 “Among them are some who [appear to] listen to you, but we have placed covers over their hearts - so they do not understand the Qur’an - and deafness in their ears. Even if they saw every sign they would not believe in them. So, when they come to you, they argue with you: the disbelievers say, ‘These are nothing but ancient fables.’”

Qur’an 70:29-30 “who guard their chastity from all but their spouses or slave-girls – they are not to blame.”

Qur’an 9:14 “Fight them: God will punish them at your hands, He will disgrace them, he will help you conquer them, He will heal the believers feelings.”

People see what they want to see. Which is why millions of Muslims can be herded to their destruction in the name of Islam while still believing it’s a religion of peace. Say differently and you are the aggressor, this is how it works.

For “ancient fables” (Qur’an 6:25) think along the lines of what is written in Deuteronomy (See section 2).

For the who of “They” (Qur’an 86:13-16) keep reading................

10: The Synagogue of Satan

Revelation 3:9 (NIV) 9 I will make those who are of the synagogue of Satan, who claim to be Jews though they are not, but are liars— I will make them come and fall down at your feet and acknowledge that I have loved you.

1 John 2:22-23 (NIV) 22 Who is the liar? It is whoever denies that Jesus is the Christ. Such a person is the antichrist—denying the Father and the Son. 23 No one who denies the Son has the Father; whoever acknowledges the Son has the Father also.

John 9:22 (NIV) 22 His parents said this because they were afraid of the Jewish leaders, who already had decided that anyone who acknowledged that Jesus was the Messiah would be put out of the synagogue.

Romans 2:27-29 (NIV) 27 The one who is not circumcised physically and yet obeys the law will condemn you who, even though you have the written code and circumcision, are a lawbreaker. 28 A person is not a Jew who is one only outwardly, nor is circumcision merely outward and physical. 29 No, a person is a Jew who is one inwardly; and circumcision is circumcision of the heart, by the Spirit, not by the written code. Such a person’s praise is not from other people, but from God.
9: The Cause of Antisemitism

Antisemitism is caused by something, it doesn't just happen by accident just as history doesn't repeat by accident. This isn't racism it's fact and according to Revelation 3:9 the synagogue of satan are not Jews but liars anyway.

There are factors involved that not only make this plotting possible but also make it incredibly difficult to stop. Those responsible can either be pushed into an indefensible position or we can continue to be victims of witless accusations of speech crimes.

When Moses gave this monstrosity of a plan to the Jews, he was too stupid to see just how certainly too many cooks can spoil the broth (with this many useful idiots monumental levels of evil and stupidity are generated) and he gave the world over to its idiots & nutters.

What makes the trap so effective is by implicating so many people in this criminal insanity, it's possible to force people's silence & cooperation, as they see no way out. Eventually the levels of paranoia generated reach murderous heights & it's time for Gulags and lime pits.

If this plotting wasn't so unspeakable, unimpressive and idiotic it might actually be more believable and therefore easier to stop.

The positive news here is that they have a long track record of failure. Since 250 AD the Jews have been expelled from states on at least 110 occasions.

2: Government Strategy is in Deuteronomy

Compare the strategy here to cultural Marxism and globalisation as well as what's going on around you: Yes really, take a look! It isn't just a coincidence either, compare this strategy to Islam (page 5) and Christianity (page 15).

History repeats for a reason. Subversives can advance this divide and conquer strategy as easily as calling people racist, intolerant, bigots, deluded or a danger to society and the agenda rolls on regardless of people's concerns. It's timeless......

And this is what they are doing:

Deuteronomy 28:1-2 New International Version (NIV)

1 If you fully obey the Lord your God and carefully follow all his commands I give you today, the Lord your God will set you high above all the nations on earth.
2 All these blessings will come on you and accompany you if you obey the Lord your God:

Deuteronomy 7:16-24 (NIV)

16 You must destroy all the peoples the Lord your God gives over to you. (Miscegenation) Do not look on them with pity and do not serve their gods, for that will be a snare to you.
17 You may say to yourselves, "These nations are stronger than we are. How can we drive them out?" (Mass immigration) But do not be afraid of them; remember well what the Lord your God did to Pharaoh and to all Egypt. 18 You saw with your own eyes the great trials, the signs and wonders, the mighty hand and outstretched arm, (Infiltration and subversion) with which the Lord your God brought you out. The Lord your God will do the same to all the peoples you now fear. 19 Moreover, the Lord your God will send the hornet among them until even the survivors who hide from you have perished. (Civil war & famine) 20 Do not be terrified by them, for the Lord your God, who is among you, is a great and awesome God. 21 The Lord your God will drive out those nations before you, little by little. You will not be allowed to eliminate them all at once, or the wild animals (Angry people) will multiply around you. 22 But the Lord your God will deliver them over to you, throwing them into great confusion until they are destroyed. (Lies & deception, creating a situation beyond people's powers of understanding) He will give their kings into your hand, and you will wipe out their names from under heaven. (Erase & distort history) No one will be able to stand up against you; (Just call them racist) you will destroy them.
Deuteronomy 7:5-6 (NIV)

5 This is what you are to do to them: Break down their altars, (Destroy religion & promote atheism) smash their sacred stones, (Destroy tradition) cut down their Asherah poles and burn their idols in the fire.
6 For you are a people holy to the Lord your God. The Lord your God has chosen you out of all the peoples on the face of the earth to be his people, his treasured possession.

Deuteronomy 9:4-5 (NIV)

4 After the Lord your God has driven them out before you, do not say to yourself, "The Lord has brought me here to take possession of this land because of my righteousness." No, it is on account of the wickedness of these nations that the Lord is going to drive them out before you. (Encouragement of gambling, drunkenness, drugs & injustice) 5 It is not because of your righteousness or your integrity that you are going in to take possession of their land; but on account of the wickedness of these nations, the Lord your God will drive them out before you, to accomplish what he swore to your fathers, to Abraham, Isaac and Jacob.

Deuteronomy 28:9-14 (NIV)

9 The Lord will establish you as his holy people, as he promised you on oath, if you keep the commands of the Lord your God and walk in obedience to him. 10 Then all the peoples on earth will see that you are called by the name of the Lord, and they will fear you. 11 The Lord will grant you abundant prosperity—in the fruit of your womb, the young of your livestock and the crops of your ground—in the land he swore to your ancestors to give you. 12 The Lord will open the heavens, the storehouse of his bounty, to send rain on your land in season and to bless all the work of your hands. You will lend to many nations but will borrow from none. (Usury, debt slavery, unsustainable government spending leading to collapse) 13 The Lord will make you the head, not the tail. If you pay attention to the commands of the Lord your God that I give you this day and carefully follow them, you will always be at the top, never at the bottom. (Political correctness) 14 Do not turn aside from any of the commands I give you today, to the right or to the left, following other gods and serving them.

Deuteronomy 32:28-35 (NIV)

28 They are a nation without sense, there is no discernment in them. (Political correctness) 29 If only they were wise and would understand this and discern what their end will be! 30 How could one man chase a thousand, or two put ten thousand to flight, (Call them racist, intolerant, bigots etc..) unless their Rock had sold them, unless the Lord had given

8: The Art of War

Sun Tzu The Art of War.
From Chapter Three Strategic Offensive:

"Ultimate excellence lies not in winning every battle but in defeating the enemy without ever fighting. The highest form of warfare is to attack strategy itself."

Also from Chapter three Strategic Offensive.

"There are five essentials for victory:
Know when to fight and when not to fight; Understand how to deploy large and small numbers; Have officers and men who share a single will; Be ready for the unexpected; Have a capable general, unhampered by his sovereign. These five point the way to victory.

Hence the saying.

'Know the enemy, know yourself and victory is never in doubt, not in a hundred battles. He who knows self but not the enemy will suffer one defeat for every victory. He who knows neither self nor the enemy will fail in every battle.'"

Translation by John Minford.
Matthew 23:15 (NIV)

15 “Woe to you, teachers of the law and Pharisees, you hypocrites! You travel over land and sea to win a single convert, and when you have succeeded, you make them twice as much a child of hell as you are.”

Matthew 23:31-33 (NIV)

31 So you testify against yourselves that you are the descendants of those who murdered the prophets. 32 Go ahead, then, and complete what your ancestors started! 33 “You snakes! You brood of vipers! How will you escape being condemned to hell?

Ephesians 6:10-17 (NIV)

10 Finally, be strong in the Lord and in his mighty power. 11 Put on the full armour of God, so that you can take your stand against the devil’s schemes. 12 For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. 13 Therefore put on the full armour of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. 14 Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, 15 and with your feet fitted with the readiness that comes from the gospel of peace. 16 In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. 17 Take the helmet of salvation and the sword of the Spirit, which is the word of God.

Revelation 2:9 (NIV)

9 I know your afflictions and your poverty—yet you are rich! I know about the slander of those who say they are Jews and are not, but are a synagogue of Satan.

Titus 1:13-16 (NIV)

13 This saying is true. Therefore rebuke them sharply, so that they will be sound in the faith 14 and will pay no attention to Jewish myths or to the merely human commands of those who reject the truth. 15 To the pure, all things are pure, but to those who are corrupted and do not believe, nothing is pure. In fact, both their minds and consciences are corrupted. 16 They claim to know God, but by their actions they deny him. They are detestable, disobedient and unfit for doing anything good.

1 Peter 2:15 (NIV)

15 For it is God’s will that by doing good you should silence the ignorant talk of foolish people.

Galatians 4:16 (NIV)

16 Have I now become your enemy by telling you the truth?

Deuteronomy 8:18 (NIV)

18 But remember the Lord your God, for it is he who gives you the ability to produce wealth, and so confirms his covenant, which he swore to your ancestors, as it is today.

Numbers 33:55-56 (NIV)

55 But if you do not drive out the inhabitants of the land, those you allow to remain will become barbs in your eyes and thorns in your sides. They will give you trouble in the land where you will live. 56 And then I will do to you what I plan to do to them.

Habakkuk 1:4-5 (NIV)

4 Therefore the law is paralyzed, and justice never prevails. The wicked hem in the righteous, so that justice is perverted. (No one believes the conspiracy could be true) 5 “Look at the nations and watch- and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told.

Habakkuk 1:14-17 (NIV)

14 You have made people like the fish in the sea, like the sea creatures that have no ruler. 15 The wicked foe pulls all of them up with hooks, he catches them in his net, he gathers them up in his dragnet; and so he rejoices and is glad. 16 Therefore he sacrifices to his net and burns incense to his dragnet, for by his net he lives in luxury and enjoys the choicest food. (Traditionalists marginalised while subversives prosper) 17 Is he to keep on emptying his net, destroying nations without mercy? (Strategy repeats)

Habakkuk 2:10 (NIV)

10 You have plotted the ruin of many peoples, shaming your own house and forfeiting your life.
3: Islam: Let's Recap. See The Connection?

The Deuteronomy strategy was employed in Medina, except Muhammad saw what was going on and took over the city himself. These quotations explain how.....

Qur'an 86:13-16  "This is a truly decisive statement, it is not something to be taken lightly. They plot and scheme, but so do I: Prophet, let the disbelievers be, let them be for a while."

Qur'an 2:218  "But those who have believed, migrated and striven for God's cause, it is they who can look forward to God's mercy..."

Qur'an 9:20  "Those who believe, who migrated and strove hard in God's way with their possessions and persons, are in God's eyes much higher in rank; it is they who will triumph;"

Qur'an 22:58  "He will give a generous provision to those who migrated in God's way and were killed or died: He is the best provider."

Qur'an 13:41-42  "Do they not see how We come to their land and shrink its borders? God decides - no one can reverse His decision - and He is swift in reckoning. Those before them also schemed, but the overall scheme belongs to God: He knows what each soul does. In the end, the disbelievers will find out who will have the excellent home."

was shallow. 6 But when the sun came up, the plants were scorched, and they withered because they had no root. 7 Other seed fell among thorns, which grew up and choked the plants. 8 Still other seed fell on good soil, where it produced a crop—a hundred, sixty or thirty times what was sown. 9 Whoever has ears, let them hear." 10 The disciples came to him and asked, “Why do you speak to the people in parables?” 11 He replied, “Because the knowledge of the secrets of the kingdom of heaven has been given to you, but not to them. 12 Whoever has will be given more, and they will have an abundance. Whoever does not have, even what they have will be taken from them. 13 This is why I speak to them in parables: “Though seeing, they do not see; though hearing, they do not hear or understand.

14 In them is fulfilled the prophecy of Isaiah: “You will be ever hearing but never understanding; you will be ever seeing but never perceiving. 15 For this people’s heart has become calloused; they hardly hear with their ears, and they have closed their eyes. Otherwise they might see with their eyes, hear with their ears, understand with their hearts and turn, and I would heal them.’ 16 But blessed are your eyes because they see, and your ears because they hear. 17 For truly I tell you, many prophets and righteous people longed to see what you see but did not see it, and to hear what you hear but did not hear it.

18 “Listen then to what the parable of the sower means: 19 When anyone hears the message about the kingdom and does not understand it, the evil one comes and snatches away what was sown in their heart. This is the seed sown along the path. 20 The seed falling on rocky ground refers to someone who hears the word and at once receives it with joy. 21 But since they have no root, they last only a short time. When trouble or persecution comes because of the word, they quickly fall away. 22 The seed falling among the thorns refers to someone who hears the word, but the worries of this life and the deceitfulness of wealth choke the word, making it unfruitful. 23 But the seed falling on good soil refers to someone who hears the word and understands it. This is the one who produces a crop, yielding a hundred, sixty or thirty times what was sown.”

1 Thessalonians 2:14-16 (NIV) 14 For you, brothers and sisters, became imitators of God’s churches in Judea, which are in Christ Jesus: You suffered from your own people the same things those churches suffered from the Jews 15 who killed the Lord Jesus and the prophets and also drove us out. They displease God and are hostile to everyone 16 in their effort to keep us from speaking to the Gentiles so that they may be saved. In this way they always heap up their sins to the limit. The wrath of God has come upon them at last.
John 10:11-16 (NIV)
11 "I am the good shepherd. The good shepherd lays down his life for the sheep. 12 The hired hand is not the shepherd and does not own the sheep. So when he sees the wolf coming, he abandons the sheep and runs away. Then the wolf attacks the flock and scatters it. 13 The man runs away because he is a hired hand and cares nothing for the sheep.

14 I am the good shepherd; I know my sheep and my sheep know me—just as the Father knows me and I know the Father—and I lay down my life for the sheep. 15 I have other sheep that are not of this sheep pen. I must bring them also. They too will listen to my voice, and there shall be one flock and one shepherd."

John 15:13-15 (NIV)
13 “Greater love has no one than this: to lay down one’s life for one’s friends. 14 You are my friends if you do what I command. 15 I no longer call you servants, because a servant does not know his master’s business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you.”

Revelation 3:9 (NIV)
9 I will make those who are of the synagogue of Satan, who claim to be Jews though they are not, but are liars—I will make them come and fall down at your feet and acknowledge that I have loved you.

Matthew 13:36-43 (NIV)
36 Then he left the crowd and went into the house. His disciples came to him and said, “Explain to us the parable of the weeds in the field.”

37 He answered, “The one who sowed the good seed is the Son of Man. 38 The field is the world, and the good seed stands for the people of the kingdom. The weeds are the people of the evil one, 39 and the enemy who sows them is the devil. The harvest is the end of the age, and the harvesters are angels.

40 As the weeds are pulled up and burned in the fire, so it will be at the end of the age. 41 The Son of Man will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil. 42 They will throw them into the blazing furnace, where there will be weeping and gnashing of teeth. 43 Then the righteous will shine like the sun in the kingdom of their Father. Whoever has ears, let them hear.”

Matthew 13:3-23 (NIV)
3 Then he told them many things in parables, saying: “A farmer went out to sow his seed. 4 As he was scattering the seed, some fell along the path, and the birds came and ate it up. 5 Some fell on rocky places, where it did not have much soil. It sprang up quickly, because the soil

Qur’an 47:18-19 "What are the disbelievers waiting for, other than the Hour which will come upon them unawares? Its signs are already here, but once the Hour has actually arrived, what use will it be to take heed?"

Qur’an 6:25 "Among them are some who [appear to] listen to you, but we have placed covers over their hearts - so they do not understand the Qur’an - and deafness in their ears. Even if they saw every sign they would not believe in them. So, when they come to you, they argue with you: the disbelievers say, 'These are nothing but ancient fables.'"

Qur’an 4:76 “The believers fight for God's cause, while those who reject faith fight for an unjust cause. Fight the allies of Satan: Satan's strategies are truly weak."

Qur’an 2:216 “Fighting has been ordained for you, though it is hard for you. You may dislike something although it is good for you, or like something although it is bad for you: God knows and you do not.""
Qur'an 5.33 “Those who wage war against God and His Messenger and strive to spread corruption in the land should be punished by death, crucifixion, the amputation of an alternate hand and foot, or banishment from the land: a disgrace for them in this world, and then a terrible punishment in the Hereafter, unless they repent before you overpower them – in that case bear in mind that God is forgiving and merciful.”

Qur'an 33:60-62 “If the hypocrites, the sick at heart, and those who spread lies in the city do not desist, We shall rouse you (Prophet) against them, and then they will only be your neighbours in this city for a short while. They will be rejected. Wherever they are found, they will be arrested and put to death. This has been God’s practice with those who went before. You will find no change in God’s practices.”

Qur'an 8:12-14 “Your Lord revealed to the angels: ‘I am with you: give the believers firmness; I shall put fear into the hearts of the disbelievers – strike above their necks and strike all their fingers’. That was because they opposed God and His Messenger, and if anyone opposes God and His Messenger, God punishes them severely – 'That is what you get! Taste that!' and the torment of the Fire awaits the disbelievers.”

Qur'an 9:14 “Fight them: God will punish them at your hands, He will disgrace them, he will help you conquer them, He will heal the believers feelings.”

And if the situation is reversed:

Qur'an 2:191 “Kill them wherever you encounter them, and drive them out from where they drove you out, for persecution is more serious than killing.”

Translation by M.A.S Abdel Haleem

Sahih Muslim 6985 “Abu Huraira reported Allah's Messenger (may peace be upon him) as saying: The Last hour would not come unless the Muslims will fight against the Jews and the Muslims would kill them until the Jews would hide themselves behind a stone or a tree and a stone or a tree would say: Muslim, or the servant of Allah, there is a Jew behind me; come and kill him; but the tree Gharqad would not say, for it is the tree of the Jews”.

We are all the victims of the “New World Order”. This includes the Muslims the vast majority of whom are simply victims of circumstance. Peace requires understanding and mutual respect. Different groups all working on their own agendas within the same lands is itself divisive, causes a breakdown in trust and is the ultimate cause of conflict.
7: Making The Blind See

The New Testament counter strategy......

John 15:18 New International Version (NIV)
18 “If the world hates you, keep in mind that it hated me first.”

Matthew 7:15-29 (NIV)
15 “Watch out for false prophets. They come to you in sheep’s clothing, but inwardly they are ferocious wolves. 16 By their fruit you will recognize them. Do people pick grapes from thornbushes, or figs from thistles? 17 Likewise, every good tree bears good fruit, but a bad tree bears bad fruit. 18 A good tree cannot bear bad fruit, and a bad tree cannot bear good fruit. 19 Every tree that does not bear good fruit is cut down and thrown into the fire. 20 Thus, by their fruit you will recognize them.

21 “Not everyone who says to me, ‘Lord, Lord,’ will enter the kingdom of heaven, but only the one who does the will of my Father who is in heaven. 22 Many will say to me on that day, ‘Lord, Lord, did we not prophesy in your name and in your name drive out demons and in your name perform many miracles?’ 23 Then I will tell them plainly, ‘I never knew you. Away from me, you evildoers!’

24 “Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. 25 The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. 26 But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. 27 The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash.”

28 When Jesus had finished saying these things, the crowds were amazed at his teaching, 29 because he taught as one who had authority, and not as their teachers of the law.

John 7:1-13 (NIV)
1 After this, Jesus went around in Galilee. He did not want to go about in Judea because the Jewish leaders there were looking for a way to kill him. 2 But when the Jewish Festival of Tabernacles was near, 3 Jesus’ brothers said to him, “Leave Galilee and go to Judea, so that your disciples there may see the works you do. 4 No one who wants to become a public figure acts in secret. Since you are doing these things, show yourself to the world.” 5 For even his own brothers did not believe in him. 6 Therefore Jesus told them, “My time is not yet here; for you any

4: Communist Strategy & Subversion

Communists are the useful idiots and cannon fodder of a societal collapse. Early adopters work subversively to help undermine society while the masses think they are fighting and dying for a workers paradise, rather than their own enslavement. Some see it as nothing more than a means to total power and world domination.

There are thousands of subversive organisations full of well meaning people who believe they are doing good. e.g. People who believe they are helping Africans by flooding Africa with free shoes & clothes but are unwittingly helping to destroy the African economy and its manufacturers, sending waves of migrants to Europe. Cause, effect, action and reaction.

Knowing what the bomb maker wants is more important than knowing what all the bag carriers think they are up to.

“The state is an instrument for coercion … We want to organize violence in the name of the interests of the workers.” Lenin in 1917

“Religion is the opium of the people: this saying of Marx is the cornerstone of the entire ideology of Marxism about religion. All modern religions and churches, all and of every kind of religious organizations are always considered by Marxism as the organs of bourgeois reaction, used for the protection of the exploitation and the stupefaction of the working class.” The attitude of the working party toward religion by Lenin

“Our program necessarily includes the propaganda of atheism.” Lenin
The 1922 English translation of The ABC of Communism:

Section 32 "A Decisive victory over the enemy and the realization of the dictatorship of the proletariat - Such will be the inevitable outcome of the world wide civil war."

Section 33 "Manifestly it is essential that Humanity shall make an end of capitalism once and for all. With this goal in view, we can endure the period of civil wars, and can pave the way for Communism, which will heal all wounds"

Section 34 "We are thus confronted by two alternatives, and only two. There must either be complete disintegration, hell broth, further brutalisation and disorder, absolute chaos, or else communism."

Section 36 "It is essential that the working class should overcome all national prejudices and national enmities. This is a requisite, not only for the world-wide attack upon capital and for the complete overthrow of the capitalist system, but also for the organization of a single world-wide economic system."

Section 57 "The bourgeoisies of all countries, especially of late, join the cry, 'down with the Jews!' The aim of this is to switch off the class struggle of the workers against their capitalist oppressors, into a struggle between nationalities."

Section 60 "Today, even British ministers of state sometimes deliver antisemitic orations. This is an infallible sign that the bourgeois system in the West is in the eve of a collapse, and that the bourgeoisie is endeavouring to ward off the workers' revolution by throwing Rothschilds and Mendelsohns to the workers as sops."

Section 77 "In the matter of education, as in all other matters, the Communist Party is not merely faced by constructive tasks, for in the opening phases of it's activity it is likewise faced by destructive tasks. In the education system bequeathed to it by capitalist society, it must hasten to destroy everything which has made of the school an instrument of the capitalist class rule."

Section 92 "The transition From socialism to Communism, the transition from the society which makes an end of capitalism to the society which is completely freed from all traces of class division and class struggle, will bring about the natural death of all religion and all superstition."

"Only when the international idea, politically organized by Marxism, is confronted by the folk idea, equally well organised in a systematic way and equally well led - only then will the fighting energy in the one camp be able to meet that of the other on an equal footing: and victory will be found on the side of eternal truth."

Volume 1 Chapter 3

"For the first time nationalists and patriots were transformed into rebels. Not rebels against the nation or the state as such but rebels against a form of government which, they were convinced, would inevitably bring about the ruin of their own people"

"If a Government uses the instruments of power in its hands for the purpose of leading a people to ruin, then rebellion is not only the right but also the duty of every individual citizen."

"The doom of a nation can be averted only by a storm of glowing passion: but those who are passionate themselves can arouse passion in others. It is only through the capacity for passionate feeling that chosen leaders can wield the power of the world which like hammer blows, will open the door to the hearts of the people."

From the May 1932 Emergency Economic Program of the NSDAP.

"The Marxist objection that one must proletarianize the independent middle class in the interests of hurrying the arrival of the future Marxist state contradicts the interests of the German worker. The goal for the German worker must not be the proletarianizing of the middle class, but rather the deproletarianizing of the German worker, and providing him with property."

From Hitler's Last Political Testament signed on 29 April 1945 as the Russians closed in on Berlin.

"I never desired that after the first terrible World War a second war should arise against England or even against America. Centuries may pass, but out of the ruins of our cities and cultural monuments there will arise anew the hatred for the people who alone are ultimately responsible: International Jewry and its helpers."
"Only those who have nothing of value to give to the world will oppose everything that already exists and would have it destroyed at all costs."

"The efforts made to conceal the past from the eyes of the present afforded clear evidence of the fact that these apostles of the future acted from an evil intent. These symptoms should have made it clear to all that it was not a question of new, though wrong, cultural ideas but of a process which was undermining the very foundations of civilisation. It threw the artistic feeling which had hitherto been quite sane into utter confusion, thus spiritually preparing the way for political Bolshevisms."

"The ultimate and most profound reason of the German downfall is to be found in the fact that the racial problem was ignored and that its importance in the historical development of nations was not grasped."

**Volume 2 Chapter 1**

"Once we understand the impenetrable stupidity of our public, we cannot be surprised that such tactics turn out successful. Led by the press and blinded once again by the alluring appearance of the new program, the bourgeois as well as the proletarian herds of voters faithfully return to the common stall and re-elect their old deceivers. Scarcely anything else can be so depressing as to watch this process in sober reality and to be the eyewitness of this repeatedly recurring fraud. On a spiritual training ground of that kind it is not possible for the bourgeois forces to develop the strength which is necessary to carry on the fight against the organized might of Marxism."

"Marxism will march shoulder to shoulder with democracy until it succeeds indirectly in securing for its own criminal purposes even the support of those whose minds are nationally oriented and whom Marxism strives to exterminate."

"As I have said, only a very credulous soul could think of binding himself to observe the rules of the game when he has to face a player for whom those rules are nothing but a mere bluff or a means of serving his own interests, which means he will discard them when they prove no longer useful for his purpose."

"On this planet of ours human culture and civilization are indissolubly bound up with the presence of the Aryan. If he should be exterminated or subjugated, then the dark shroud of a new barbarian era would enfold the earth. To undermine the existence of human culture by exterminating its founders and custodians would be an execrable crime in the eyes of those who believe that the folk-idea lies at the basis of human existence."

---

**5: Communism, Liberalism & Capitalism!**

Don't be deceived, all are being used by the criminal elite to bring the same revolutionary strategy to fruition. Creating all the poverty, misunderstanding and hatred needed to feed the “beast” of world communism. Government is not simply incompetent.

"If you fully obey the Lord your God and carefully follow all his commands I give you today, the Lord your God will set you high above all the nations on earth"

"This is what you are to do to them: Break down their altars, smash their sacred stones."

"You must destroy all the peoples the Lord your God gives over to you."

"You may say to yourselves, “These nations are stronger than we are. How can we drive them out?”"

"The Lord will make you the head, not the tail. If you pay attention to the commands of the Lord your God that I give you this day and carefully follow them, you will always be at the top, never at the bottom."

"You will lend to many nations but will borrow from none."
“They are a nation without sense, there is no discernment in them. If only they were wise and would understand this and discern what their end will be! How could one man chase a thousand, or two put ten thousand to flight?”

“He will give their kings into your hand, and you will wipe out their names from under heaven. No one will be able to stand up against you; you will destroy them.”

“Then all the peoples on earth will see that you are called by the name of the Lord, and they will fear you.”

World communism is their goal. Obviously most communists don’t realise they are being deceived into assisting with strategy from the Old Testament/Torah.

Liberalism is used to break down traditional values and morals while using political correctness to silence any opposition.

Capitalism is used to justify mass immigration on globalist economic grounds. Much of what passes for capitalism is really just subversion and the theft of state assets!

We are the victims of a truly unspeakable crime, as are the vast majority of the immigrants brought here under false pretences to be used so cruelly and then themselves to live as slaves under communism.

Divide and conquer strategies like this work by making people feel threatened, playing one group off against another.

React in anger and you are seen as the cause of the evil.

Putting an end to this criminal insanity requires that those who “know not what they do” are turned, forgiven and not forced to resist.

6: Learning From The Past.

Mein Kampf (James Murphy Translation)
History is being hidden and repeated.....

Volume 1 Chapter 4

“Nobody can doubt that this world will one day be the scene of dreadful struggles for existence on the part of mankind. In the end the instinct of self-preservation alone will triumph.”

“Once we know what the consequences of this ‘internal colonization’ theory would be we can no longer consider as a mere accident the fact that among those who inculcate this quite pernicious mentality among our people the Jew is always in the first line.”

“It is specially difficult to understand how the belief that the State is brought into being and preserved by economic forces could gain currency in a country which has given proof of the opposite in every phase of its history. The history of Prussia shows, in a manner particularly clear and distinct, that it is out of the moral virtues of the people and not from their economic circumstances that a State is formed.”

“But as soon as economic interests begin to predominate over the racial and cultural instincts in a people or a State, these economic interests unloose the causes that lead to the subjugation and oppression.”

“How then did it happen that the political instincts of this very same German people became so degenerate? For it was not merely one isolated phenomenon which pointed to this decadence, but morbid symptoms which appeared in alarming numbers, now all over the body politic, or eating into the body of the nation, like a gangrenous ulcer. It seemed as if some all-pervading poisonous fluid had been injected by some mysterious hand into the bloodstream of this once heroic body, bringing about a creeping paralysis that affected the reason and the elementary instinct of self-preservation.”

“Even as early as that time I warned people around me, just as I am warning a wider audience now, against that soothing slogan of all indolent and feckless nature: Nothing can happen to us.”

“Long before then the spiritual and moral decline of the German people had set in, though those who were affected by the morbid decadence were frequently unaware - as so often happens - of the forces which were breaking up their very existence.”

Volume 1 Chapter 10

“The broad masses of the people see little of the cultural, political, and moral background of this collapse. Many of them completely lack both the necessary feeling and powers of understanding for it.”

“If we study the course of our cultural life during the last twenty-five years we shall be astonished to note how far we have already gone in this process of retrogression. Everywhere we find the presence of those germs which give rise to protuberant growths that must sooner or later - bring about the ruin of our culture.”
